PERPETUAL GENERAL CARE

Perpetual general care includes mowing and reseeding grass; planting and care of flower beds, shrubs, and hedges; maintenance of buildings, fences, gates, and cemetery roads; and snow plowing. These services are provided at no extra cost to property owners. A Perpetual Care Fund, which grows with each new property sale, ensures that Elmhurst Cemetery will remain sacred and beautiful for generations.

Perpetual care does not include special services such as watering of individual lots or flowers, nor care or trimming around privately owned vases, markers, or monuments. These items are placed at the owner’s risk.
